WHAT IS THE SLT?

The High Rock student leadership team consists of a group of student leaders committed to representing student voices and leading others in a positive manner through community service and school spirit.

Throughout the year we get involved with a variety of service programs including, but not limited to, the Needham Community Council, Coats for Kids, Halloween Candy Drive for the Troops, and the American Heart Association.

The leadership team is also in charge of planning and organizing school spirit events that have included pumpkin decorating contests, spirit week, pig races, and more.

The leadership team is open to all students who wish to represent and lead the High Rock School community in a positive manner. If you are interested in being a part of this year's student leadership team please come to the brief informational meeting on **Thursday, September 27**.
